To be able to give the best possible service to our customers, we offer besides our standard assortment the possibility of creating your own Private Label.

Together with our designers you can develop the products that meet your specific requirements.

Printed with a frosted background,
or as a double sleeve with a non-woven
interior, anything is possible!
We can even make a position-printed sleeve
with a combination of CPP and BOPP!

Would you like to give your sleeve a special theme?
No problem, we can adjust any design to your personal wishes!
